Student Name: _____ Teacher: _____

Desired Lesson Package: _____ Total Amount: \$ _____ Check Number: _____

We are offering various lesson packages, please select the package that most fits your needs for this summer FOR EACH CHILD. If your teacher is not teaching for as many weeks as you request, or if you will be out of town for a portion of the summer, you are welcome to make up those lessons by having 2 or 3 lessons in one week. Many choose to have two lessons per week for the whole summer.

All summer lessons must be paid for by FRIDAY, MAY 31 in order to make the Centenary College payroll.

We recommend that you use the **online version** of this form. Go to www.centenarysuzuki.com and go to the "Parents" page. Look for the "Summer Lesson Form". You will need a credit card to process the online form. Please, talk with your private teacher before submitting any payment.

If you use the form below, return it with payment attached and **give it to your teacher** with whom you will schedule your lessons. **Do NOT give this form to the music office.** Please, write two separate checks if dividing summer lessons with two different teachers, all checks should be made to "Centenary Suzuki School". Each teacher will turn in all checks and forms at one time to Mr. Charles so it can be processed by Centenary payroll by June 1st. Please help the teachers so we can meet our payroll deadline.
